

# 2021 Child Agricultural Safety and Health Workshop

*Protecting the future of agriculture*

**September 14, 21 & 28, 2021**

**12pm – 4pm CDT**

For more information: [www.marshfieldresearch.org/cash-workshop](http://www.marshfieldresearch.org/cash-workshop)

## WORKSHOP DESCRIPTION

Join us for this virtual workshop and learn how you can help safeguard children and youth who live, work and play on farms and ranches. Use what you learn to develop and enhance childhood agricultural safety strategies for your organization.

*This workshop is ideal for agribusiness, farm organizations, insurance professionals, bankers and lenders, healthcare providers, Extension, FFA Advisors, public health officials and media.*

## WORKSHOP FEATURES

- Virtual event – join from anywhere
- Sessions facilitated by leading experts in the field
- Hands on activities
- Small group discussions
- Access to free resources and safety tools
